Tariff pricing	60 + 1	60 + 1

1) Business network allows connecting all company phones (mobile and fixed) into one virtual network. This solution saves costs within intra-company communication and offers other functionalities within this service.

2) Free units cannot be applied to these services.

All prices are stated in CZK without VAT, prices in brackets include VAT, prices are listed in CZK per minute.
PABX (Private Automatic Branch Exchange) - digital branch exchange or software exchange with fixed connection to the T-Mobile network exchange.

This price list is valid when the Contract for the Establishment and Provision of Services is concluded within the Corporate Solution.

Time zone: peak: 8:00–19:00; off peak: 19:00–8:00, weekends and state holidays.

The T-Mobile Direct tariff is relevant for mobile numbers, the T-Mobile Direct Fix for fixed numbers.

The price for dial data access (CSD data) is charged in the amount corresponding to the price for calling to the given location.

The prices also apply to the variant Fixed Voice Services - HTS/ISDN

Fixed Voice Services - international calls

Zone	Fixed networks	Mobile networks
Zone 1 Slovakia, Germany, Poland, Austria	2.00 (2.42)	4.90 (5.93)
Zone 2 Europe - European Union countries Andorra, Monaco, San Marino, Vatican, Switzerland	5.40 (6.53)	5.40 (6.53)
Zone 3 Europe - countries outside the European Union Russia, Algeria, Armenia, Azerbaijan, Georgia, Libya, Morocco, Tunisia	5.90 (7.14)	5.90 (7.14)
Zone 4 Israel, US, Canada, Australia, Japan, Palestine	6.90 (8.35)	6.90 (8.35)
Zone 5 Asia, Oceania, Africa, South and Central America (excluding US, Canada), China	16.90 (20.45)	16.90 (20.45)
Tariff pricing	60 + 1	

All prices are stated in CZK/min without VAT, prices in brackets include VAT.
Calls into satellite networks are governed by the Price list for tariffs and services for tariff and TWIST customers of T-Mobile (international calls, tariff zone III).

Access point

Activation fee	10 000.00 (12 100.00)
Monthly fee for using the service	1 000 – 50 000.00 (1 210 – 72 600.00)

SLA	Availability	Repair time	Price
SLA0	99 %	24 hours	included in the service price
SLA1	99.6 %	24 hours	included in the service price
SLA2	99.7 %	12 hours	3 000.00 (3 630.00)
SLA3	99.8 %	8 hours	5 000.00 (6 050.00)
SLA4	99.9 %	5 hours	10 000.00 (12 100.00)

Fixed data network

Activation fee	10 000.00 (12 100.00) per one access point
Capacity	64 – 4 096 kbps in monthly flat rate fees 1 000 – 50 000.00 (1 210 – 60 500.00)

The price includes the guaranteed transfer capacity (unlimited amount of transferred data).

Mobile internet

Activation fee	20 000.00 (24 200.00) for one access point
Capacity	64 – 4 096 kbps in monthly flat rate fees 1 000 – 50 000.00 (1 210 – 60 500.00)

The price includes:

- access to intranet (parameters of data transfer within mobile network are defined by specific Customer's mobile data tariff, incl. data speed and FUP)
- guaranteed transfer capacity from virtual APN point to the customer infrastructure,
- creation and administration of the APN (Access Point Name).

Internet access

Activation fee	10 000.00 (12 100.00)
Capacity	64 – 10 240 kbps in monthly flat rate fees 5 000 – 70 000.00 (6 050 – 84 700.00)

The price includes:

- internet access with unlimited data transfer
- guaranteed transfer capacity,
- assigned range of IP addresses

The price does not include the fee for a domain at CZ NIC.

All prices are stated in CZK without VAT, prices in brackets include VAT. The concrete amount of the monthly rate for data services, maximum speed of the data connection and data connection technology are included in the Contract on Establishment and Provision of the Corporate Solution.

Structure of the service bill within the Corporate Solution depends on the concrete scope of subscribed services, whereas up to 3 separate invoice groups can be created with separate service billing. Invoice group T-Mobile Direct (for services: Access Point, Fixed Voice Services, Fixed Data Network, Internet Access, Mobile Intranet), invoice group Green Calls and invoice group SMS/MMS Connect.

All prices are stated in CZK/min without VAT, prices in brackets include VAT.

*1st change in a month is for free

**Calls are charged by seconds.

All prices are stated in CZK without VAT, prices in brackets include VAT.

Call and sending bulk SMS and MMS to the phone number of virtual operators, which are operated in the T-Mobile network (eg MOBIL.CZ) is charged as calls and SMS/MMS outside the T-mobile network.

Calls to Green Calls are not charged to the calling party but to the called party depending on:

- incoming call origin,
- type of forwarding.

Final price per minute is the sum of these items.

Calls to Blue Calls are charged both to the calling party and the called party. The price charged to the called party depends on:

- incoming call origin,
- type of forwarding.

Final price per minute is the sum of these items.

Calls to White Calls are charged only to the calling party. The called party pays only a minute price of the call depending on the type of forwarding.

Other services of T-Mobile

■ Detailed statement of services

	Prices without (including) VAT
Printed Statement of Services	23.97 (29.00)
Electronic Detailed statement of services for printed statement	40.00 (48.40)
Printed Detailed statement of services	65.00 (78.65)
Printed and electronic Detailed statement of services	65.00 (78.65)
Additional Detailed statement of services	99.00 (119.79)*
Electronic Additional Detailed statement of services	49.00 (59.29)*
Electronic Detailed statement of services for electronic Service bill	1.00 (1.21)

* The statement can be issued for 2 previous billing periods. The price is charged per statement of one billing period. If the electronic Bill for tax purposes is required in the customer's setting, we recommend archiving all needed electronic Service bills before implementing the above stated changes. The last Service bill will be sent in printed form. Detailed statement of services can be transferred to the printed form.

■ Copies

	Prices without (including) VAT
Copy of the Service bill	50.00 (60.50)/Bill
Copy of invoices for goods	50.00 (60.50)/1 pcs
Copy of the contract	50.00 (60.50)/1 pcs

■ Number portability (to T-Mobile)

	Price without (including) VAT
Number portability (to T-Mobile) (including activation)	0.00

More information about conditions and steps for transferring a number to the T-Mobile CZ network or to another mobile operator is available at www.t-mobile.cz or at the T-Mobile customer support number.

In case of termination of the T-Mobile contract due to a transfer of the number to another operator, the termination enters into effect as of the transfer of the number regardless of the notice period determined in Article 14.5 of General Terms and Conditions of T-Mobile Czech Republic a.s.

■ Costs for a written notice

	Prices without (including) VAT
Costs for a written notice during the recovery of the subscriber's debt	107.44 (130.00)
Costs for a 2 nd written notice during the recovery of the subscriber's debt	148.76 (180.00)

Notes

Amounts charged without VAT are always used for the purposes of minimum commitment of the Contract on Establishment and Provision of the Corporate Solution. The following items shall not be counted for the minimum commitment, even though they were charged by TMCZ in the Service Bill:

- Audio-text services
- Audio-text services - private
- Donor SMS
- m-payment (Aral, Coca-Cola...)
- Other discounts - compensation in the form of a discount in the bill
- Individual discount - compensation in the form of a discount in the bill, e.g. within a complaint
- Contractual penalty from RS for not utilized services
- Contractual penalty for not utilized business services (with the exception of a contractual penalty charged to the Authorized person from RS that is utilized in the expenses for the following calendar quarter)
- Premium SMS
- SMS and MMS of third parties
- SMS Payment
- VideoStreaming
- Credit note
- Debit note
- Credit from the previous bill
- Payment for services provided according to the Framework Contract, unless specified otherwise in written form.

If TMCZ provided a discount to the Contractual Partner from subscribed electronic communication services, the total bill amount after the deduction of this discount must never be less than 25 CZK (including VAT). If this condition would not be met, the discount shall not be provided in the agreed amount in the given period and the remaining amount of the claim will be automatically transferred to the nearest possible bill.

The activation fee for individual services shall be covered by one-time payment in the first regular monthly bill, or alternatively in the bill following the activation of a new service. In accordance with the billing conditions of individual services stated in the Price list of services within the Corporate Solution, TMCZ shall issue either one or more invoices - tax documents to the Contractual Partner within 15 (fifteen) calendar days after the end of the billing period and shall send them to the contact address of the Contractual partner stated in the Contract. The price is considered paid upon its crediting to the bank account of TMCZ.

Contract referred to in this Price list means the Subscription Contract, unless specified otherwise.

VAT rate referred to in this Price list is 21 %.

T-Mobile network refers to the mobile network for electronic communication operated by T-Mobile Czech Republic a.s. in the Czech Republic, unless explicitly stated otherwise. Services directed to the Fixed network of T-Mobile (part of the network of České Radiokomunikace a.s., which was purchased on 1st December 2009 by T-Mobile Czech Republic a.s.) are charged as services to the "Fixed network in Czech Republic" destination, unless explicitly stated otherwise. For the purposes of the traffic of individual subscribers, T-Mobile network traffic means only the traffic between the subscribers of T-Mobile brand.
